RE: Parent Notification regarding Independent Study Options and Revisions to Independent Study Policy & Written Agreements for 2021/22

For the 2021/22 school year, YCSC is required to communicate the educational options for families and their pupils in the 2021–22 school year related to Independent Study. With the recent passage of AB 130, all schools and school districts must now notify parents and guardians of their options to enroll their pupil in in-person instruction or Independent Study during the 2021–22 school year (EC Section 51747).

As a parent or adult student, this serves as your formal notice about your option to request Independent Study for the 21/22 school year. All details related to this option are also available on YCSC’s website, which include, but are not limited to, the right to request a pupil-parent-educator conference meeting prior to enrollment, pupil rights regarding procedures for enrolling, dis-enrolling, and re-enrolling in IS, and the synchronous and asynchronous instructional time that a pupil will have access to as part of IS.

The following documents posted on our website and linked here, “[Revision to YCSC Independent Study Policy for 2021/22](#)” and the “[Revision to YCSC Independent Study Written Agreements for 2021/22](#),” also describe the key revisions to Independent Study and are included as part of this communication to all parents and students.
